To the Officers of

The Los Angeles County Council

Of the American Legion.

2615 S. Grand Avenue,

Los Angeles, CA 90007.

FEIN: 95-0948195.

Attn: Gil Soto, Treasurer

Officer.

I have audited the accompanying financial statements of the Los Angeles County Council of the American Legion which comprise the balance sheets as of December 31, 2025 and December 31, 2024 and the related statements of income (loss), changes in capital (deficit) and cash flows for the years then ended and the related notes to the financial statements.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statement that are free from material misstatement, whether due to fraud or error.

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making these risk assessments, the auditor considers internal control relevant to the IRC Sec. 501 c 19 war veterans organization non-profit's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of the non-profit's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Los Angeles County Council of the American Legion as of December 31, 2025 and December 31, 2024 and the results of its operations, changes in capital (deficit) and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.
